

Founder's Day

Mrs. Sophia Duker

16th April 1924 - 22nd February 2020

“As we celebrate the Founder’s Day of LSIS, it is time to reflect on the beginnings of the school and how the changes over the year have paved the way for ultimate success. I would like to take this opportunity to thank my mother, the Founder of the school, Mrs Duker, who had the vision of imparting knowledge to children.

Special thanks go to all teachers. I also thank all the teaching and non teaching staff who have been with the school since its inception. Our gratitude also goes to all Parents who have supported LSIS over the years. LSIS will continue to produce highly academically qualified individuals who have the requisite skills needed in all spheres of life. Thank you and God bless”

Chairperson - LSIS

April 16, 2021 marks the first anniversary of an amazing, strong trailblazer in child education . MRS. SOPHIA DUKER founder of Learning Skills International School. This is our time to celebrate the joys of today, the memories of yesterday and the hopes of tomorrow. Wishing the children, parents and staff of LSIS all the excitement and every happiness. Congratulations! Yesterday you led the school. TOMORROW YOUR STUDENTS WILL LEAD THE WORLD!

“It is a true privilege to build upon the firm foundation our beloved mother started. I know that she would have wholeheartedly embraced the journey that Learning Skills International School is on now, and the stellar heights to which we shall take it, to the glory of God. In celebrating our first annual LSIS Founder’s Day, I honour Mrs. Sophia Duker for her timeless and sublime vision of ‘raising curious minds for tomorrow’s world’”

I met Mrs. Duker through her neighbours and good friends, the Obuobi family, in Ringway Estates. She became my mentor when I joined LSIS in 1987. Mrs. Duker gave me sound training and supported me to attend courses and enhance my skills at every opportunity. In many ways, she was also a mother to me. Ayekoo, Mrs. Duker.

Carol Nkansah - Teacher

“Mrs. Duker and my mother were friends from church.

I joined LSIS in February 1988, after I graduated from high school, and the school was two years old. Ms. Carol had been in the school for a year before I came. My original ambition was to become a nurse, but Mrs. Duker was an amazing mentor. She was also a strong believer in professional development, and constantly encouraged all her teachers to embrace further training. Over the past thirty years, I have taught KG1 and KG2. Thanks to Mrs. Duker, teaching has been my life’s joy, and I have never looked back”

Irene Tetteh - Teacher

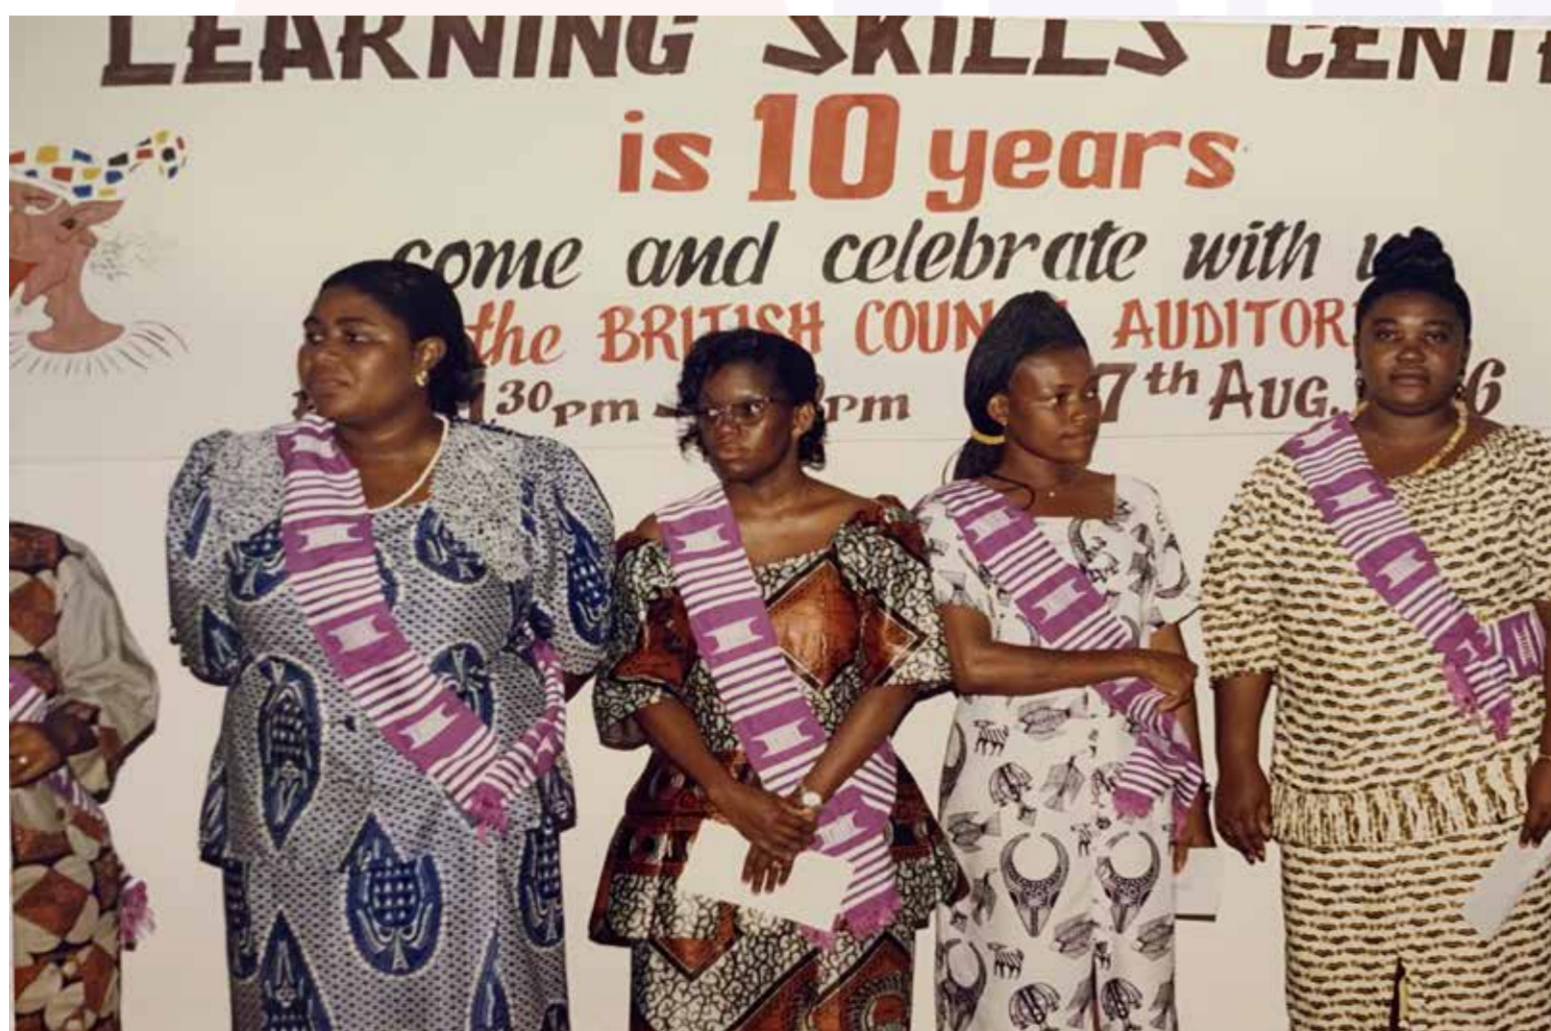

Mrs. Duker taught my mother, Comfort, at Mmofratro. She also taught an aunt of mine, Lizzy, at Ghana International School. Briefly, she was a true friend of my whole extended family. I joined the staff of LSIS on November 17, 1990, after high school. She taught me many things about life, but the major lesson I took away from Mrs. Duker as a teacher was to make sure that every moment of our learners' time in school was used effectively

Lucy Okai - Teacher

I joined the staff of LSIS on May 10, 1990. Ms. Irene recommended me for the job after we became friends at a teacher training workshop. I started off with KG1. Mrs. Duker cared about her teachers. I'll never forget the day she walked into my classroom and proudly announced that she had met 'Mr. Nelly'! She had visited my home on the quiet and met my husband, my mother, and the whole household. Mrs. Duker sponsored us to attend numerous courses and workshops and taught us to be lifelong learners. I am proud of the responsible citizens that LSIS has produced over the years.

Nelly Safori - Teacher

I joined Ms. Irene, Ms. Carol, Ms. Lucy and Ms. Nelly at LSIS in September 1991, just before my daughter was one year old. The first thing I learned from Mrs. Duker was to be prepared with learning activities for the children right from the time of arrival, be it 7 am. “Ms. Phyllis, in this school, we never waste our children’s time”, she would always say.
