**CHOOSE
US**

LSIS is internationally minded and locally rooted

While implementing the IB's PYP and soon MYP, the school also seeks to remain authentic by incorporating key elements of the GES preschool, elementary and JHS curricula. Through a robust inquiry-based programme, learners will be able to explore GES standards and content that is relevant to the curricula, equipping learners to be a part of local problem solving and impactful members of the community.

**Ghana Education
Service (GES)**

A Forward-thinking model

LSIS adopts the IB system of education. An IB education aims to transform students and schools as they learn, through dynamic cycles of inquiry, action and reflection.

The IB goes beyond checking the boxes for being in school. It employs a holistic approach that aims at nurturing empathetic learners who think, question and take action to make the world a better place.

“The curriculum model has breadth and depth and covers all the domains of knowledge, throughout the continuum.”

Dr. Helen Drennen,
Chair of the IB Board of
Governors

Great Teachers = Amazing Students

Teachers enable and support students as they develop the approaches to learning they need – for both academic and personal success.

10:1

Teachers

Student

TEACHER – STUDENT RATIO

Small class sizes to promote student - teacher interaction and personalized learning.

“DO NOT waste the children’s time!”

- Mrs. Sophia Duker
(LSIS Founder and Former Headmistress)

Teacher Training Programs

Our teachers undergo continuous training on how to engage with students, and adopt ever changing modes of teaching and learning.

LSIS Continuous learning program - 2021

Collaborative learning

A school that promotes collaborative learning, LSIS encourages emphasis on collaborative learning.

The arrangement of our learning spaces are keyed toward making it easy for student groups of various sizes to work together.

This requires flexible space and movable furniture, as well as desks that can accommodate various groupings of students.

Creative learning

We are a school that encourages students to tap into their various creative capabilities. The education LSIS offers will develop thinkers, inquirers, risktakers, balanced and reflective communicators, knowledgeable, principled and open-minded students who seek to find creative solutions to everyday challenges.

A Technology-driven school

LSIS is a technology and innovation driven school. We have a dedicated **Technology Coordinator, Robotics Classes** and a **Maker lab**.

Safety-focused

Safety is a priority for all community members. A comprehensive safe return policy after COVID, protecting all members of our community.

Strict Safety First Drop off and Safety-First Pick-Up Protocols.

Multipurpose Sports Field - Opening Sept '21

School Expansion (Adjiringanor Campus) - Opening Sept '21

Affordability

Fees Benchmarking of some selected Mid-Tier International Schools:

FEES BENCHMARKING: PEER INT'L SCHOOLS IN GHANA - MID TIER			
MID TIER SCHOOLS			
School	Location	Termly fees USD	Termly fees GHC
Learning Skills International School	Osu & Adjirganor	\$ 451.50	2,618.72
Soul Clinic Int'l School	East Cantonments	\$ 1,333.00	7,664.75
East Airport International School	East Airport	\$ 1,366.00	7,854.50
Aves International School	Tema Community 25	\$ 2,000.00	11,500.00
Morgan International Community School	East Legon	\$ 2,867.00	16,485.25

As stated earlier , in order to continue to provide quality education to your wards as an IB certified school, our fees will see an effective increase in term 3 (April 2021) and term 1 (Sept 2021) as a result of the discontinuation of the Covid-19 fees discount.

DISCLAIMER:

- * LSIS school fees stated are capped at the 2020/2021 academic year, this is subject to change.
- * Fees from other schools are based on research from 2020.

Enrichment Programs

The Extended Hours program at the Learning Skills International School seeks to offer a total face-to-face solution for families during the day. **What do your children do when the school day is over?** The program allows for students to participate in various activities on our campus in person. Students will in a safe environment, develop the skills and techniques needed to excel in various activities. The Extended Hours program has two classifications. For the general fee, students will be supervised and can undertake any activities in the supervised area at their own pace.

Online Learning - In line with our vision of being the preferred pre and primary school where children are guided and motivated to offer the world their best, we still intend to offer to teach of the highest calibre in spite of the challenges in distance learning. We are committed to ensuring our learners have an enjoyable and positive experience while studying online and developing vital skills needed.

Our Summer School program is foundational to our vision of providing continuous enrichment opportunities for our learners across grade levels. It will run during the 'summer months, from June to August when school is on break. Our program is unique because families get to choose what their students will be doing during the period.

Extra Curricular Activities

In the interest of the socio-emotional well-being of our learners, extra-curricular activities are held every Friday afternoon. Our learners sign up for various clubs including cooking, sports, art, languages, board games, technology, gardening club and many more.

Two Locations

**Early Years
Campus
(OSU -
Ringway)**

**Primary &
Middle Years
Campus
(PYP/MYP)
(Adjiringanor)**

Our Early Years campus at Osu serves as a feeder for our PYP/MYP campus at Adjiringanor. There is a routine bus service which transports the older students from the Osu to Adjiringanor campuses and back each day. The bus departs for the PYP Campus at 7am and back to the Osu campus at 2pm daily.

The Big Picture

LSIS students are poised to be responsible and impactful members of their communities who seek to make a difference everyday by taking action throughout their school careers. They move on as adult members, locally and globally who will one day make a positive difference in their communities, our country Ghana, and the world.
